Subject: Monthly summary of online application activity
Date: Wednesday, August 01, 2007 7:08:30 PM

Dear Tey, Hwee Fuan,

These are jobs that you have already applied to last month. This monthly summary update is for your reference only. You need not re-apply for these positions again.

Under Consideration means the employer has updated your application status and now you have a higher chance of getting an interview invitation. But if you are not contacted within 4 weeks, please consider your application unsuccessful.	**Unsuccessful** means the employer has considered your application, but they found more suitable candidates for the position. They may re-consider your application if the position is vacant again.

Position	Company Name	Status	Effective From
Information & Communication Technology Manager	CNI Corporation Sdn Bhd	Under Consideration	31 Jul 2007
Project Manager	NetInfinium Corporation Sdn Bhd (MSC Status Co.)	Unsuccessful	02 Jul 2007
Program Engineer	WPG International	Unsuccessful	16 Jul 2007

If you wish to know the meaning of your Application Status listed above, and if you need more information on your job application(s), please login to your MyJobStreet account. Login here.

We hope this information has been of use to you.

Sincerely,
LiNa
